

TEXAS A&M

## HEALTH SCIENCE CENTER COLLEGE OF MEDICINE

### Material Transfer Agreements

To process a new MTA:

Is the company listed on the UBMTA?

<http://www.betterworldproject.org/products/index.cfm>

**YES** Complete the following forms:

[UBMTA Implementing Letter](#)

- <http://medicine.tamhsc.edu/research/forms/ubmta-implementingletter.doc>

[UBMTA Master Agreement](#)

- <http://medicine.tamhsc.edu/research/forms/ubmta-masteragreement.doc>

**NO** Complete the following form **IF** you are the **PROVIDER**:

[Simple Letter Agreement for Transfer of Non-Proprietary Biological Material](#)

- <http://medicine.tamhsc.edu/research/forms/mta-simple-letter-agreement-hsc-com-provider.doc>

If Proprietary IP is involved, contact Joe Jilka - Office of Technology Commercialization, 979.847.8682

**NOTE: All CONTACT information must be COMPLETED**

**All MTAs must have the [HSC-Research Routing Form](#) attached**

- <http://medicine.tamhsc.edu/research/forms/mta-nda-routing-form.pdf>

After the PI and Department Chair signs the form forward all documents to the COM-Research Office for processing.

HSC Vice President for Research and Graduate Studies will contact the PI and COM-Research when it is fully executed.
