Supervisor: Frank W. Stahnisch

Experiments of Opportunity: The Studies of the Atomic Bomb Casualty Commission

Wilmon D. Jones, PhD Program
Medical History, Institute for Medical Humanities, UT Medical Branch, Galveston, TX
Supervisor: Anne Hudson Jones

History of Group O Low Titer Whole Blood for Hemorrhagic Shock Resuscitation in Combat

Andrew D. Fisher, M1
Texas A&M University Health Science Center, College of Medicine
Supervisor: G.A. Russell

“Bread only for Russians”: World War II

R. S. Amirov, M4
Faculty of Preventive Medicine
I. M. Sechenov First Moscow State Medical University, Moscow, Russia
Supervisor: M. Sergeeva

4:00 - 5:00 pm  Session VII: Medicine Through Art

Chair: G. A. Russell, PhD
Department of Humanities, Texas A&M Health Science Center, College of Medicine

Frankenstein: Medical History, Natural Science, and Ethics

Grace Nicole Jones
Honors Program, Texas A&M University, Liberal Arts, Department of English
Supervisor: Jeffrey Wollock

Casting Plaster, Molding Medicine: Lessons of Interdisciplinary and International Interchange from the History of Plaster Casts in Art & Medicine

Alicia Leahy, M4
Texas A&M University Health Science Center
Supervisor: G.A. Russell

From Marilyn Monroe to Prince: Celebrity Overdosing and the Media’s Reinforcement of Stereotyping

Kristin Holmes
Bachelors Program, Texas A&M University, Liberal Arts, Department of History
Supervisor: Hoi-eun Kim

5:00 - 5:15 pm  Closing Remarks

G. A. Russell

5:15 - 5:30 pm  Awards Committee

6:30 - 9:00 pm  Awards Banquet
The Hilton, University Drive, College Station
Acknowledgements

The support of the Department of Humanities in Medicine, in particular; the sponsorship of the HSC Offices of Vice Dean, and the Research and Graduate Studies; the Department of History, College of Liberal Arts; the Offices of the Dean of the College of Architecture, the Dean of the School of Public Health, as well as One Health, Veterinary College of Medicine.

Special thanks are due to Dr. Marcel Erminy (Associate Department Head, MArch, and Design Committee Chair, College of Architecture) for all the splendid artwork created for the Symposium poster and Abstract Booklet Cover; also to M.I.Russell for his assistance with the organization of the Symposium.

We would also like to express our appreciation to the Texas A&M Health Science Center Office of Institutional Advancement for the generous donation of items for the participants, as well as to the Office of Information Technology, Security and the Facilities staff for their assistance.
Please Note:
The following abstracts were submitted and accepted. The students could not participate due to conflicts with rotation and exam schedules.

_The Portrayal of the Physician in Opera_
**Walther Brandon (MD-PhD)**
Department of Humanities, Directed Research, Texas A&M University Health Science Center
Supervisor: G. A. Russell

_The English Hippocrates and Hippocratic Medicine_
**Benjamin Holler** (Alumnus 2016)
Department of Humanities, Directed Research in the History of Medicine in London
Texas A&M University Health Science Center (Currently: Fellowship, South Africa)
Supervisor: G. A. Russell

_Diagnosing Molière’s Physician_
**Anand Jayanti (M2)**
Department of Humanities, Directed Research, Texas A&M Health Science Center
Supervisor: G. A. Russell

_A War of Minds – Holmes, Myers and the Journey from Shell-Shock to PTSD_
**Aekta Malhotra** (Alumnus 2016)
Department of Humanities, Directed Research in the History of Medicine in London
Texas A&M University Health Science Center (Currently: Psychiatry Resident, Boston)
Supervisor: G. A. Russell

_Metaphors We Protest By_
**Min Park (BS)**
Department of Psychology, Northern Michigan University
Supervisor: Harry Whitaker
